

Make lice unlikely!

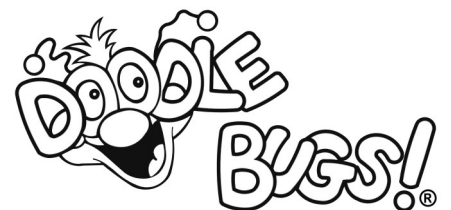

No-Lice Advice:

- Remove stuffed animals from your classroom.
- Launder dress up clothes and other fabric items weekly & as needed.
- Never share sheets, blankets or other personal items.
- Check cubbies throughout the day. One child's belongings (coat, hat, etc.) can not touch another child's belongings.

OCFS Regulation 418-1.11 (10) the specific procedures which the provider will use to prevent the spread of infections, including hand-washing and diapering techniques; safety precautions relating to blood; sanitation of equipment and toys; and the observation of symptoms of illness in the children;

MSA High Quality Indicator 9.2b Adults model health and safety practices consistent with CFOC standards.
