#### **Preschool December Math Centers**

Use the centers below along with any math centers from previous plans and rotate them through this review month.

## **Pompom Sorting (by size)**

Vary colors to coordinate with additional holidays

# **Dreidel Sorting (by color)**

# **Gingerbread Man Bingo**

Click here for additional instruction on this activity.

### **Pompom Patterning**

Any container with sections would work (egg carton, muffin tin, etc.) Adjust colors to coordinate with additional holidays.

## **Ornament Counting**

Create a set of trees with tree tops labeled with numbers 1-10. Provide an assortment of pompoms along with tongs/tweezers to build fine motor skills. Encourage children to count out loud while placing each ornament to strengthen one-to-one correspondence.

#### **Roll and Count**

Create 2-3 trees as shown below. Provide a dice and an assortment of pompoms. Children can play back and forth with a friend or small group or work independently.
