Doodle Day Camp is in Session!

Welcome to the ultimate summer vacation where our mission is to provide a safe, supervised environment that keeps children active through creative learning and fun activities. At Doodle Day Camp we have awesome programs for children ages 3-12 years so your child's summer vacation is filled with exciting adventures alongside great friends.

Each week during Doodle Day Camp has a theme. Our Bravo! by Doodle Bugs! curriculum is developed around these topics and includes awesome theme-related events, clubs, field trips and special guests. During the month of July, we'll be celebrating the following themes:

Week of July 5: Fitness Fun

Week of July 11: Art Attack

Week of July 18: Around the World in 5 Days

Week of July 25: Lights, Camera, Action

It's important to be prepared for all the fun we'll be having - please include the following on your summer camp packing list: swimsuit, sunscreen (aerosol sunscreens not permitted), towel, water shoes, sun hat, extra set of weather-appropriate clothing and sneakers.
