Doodle Bugs! is Looking for More Happy Teachers

As summer vacation comes to an end, the children aren't the only ones preparing for "Back to School". Many of our Summer Camp Counselors head back to college this month to pursue their education. While we are sad to see them go, we are excited for the opportunity to grow our Happy Team!

All of our centers are hiring this month as we prepare for the school year. If you know someone who would be a great fit, make sure to send them our way! Interested individuals can apply online at doodlebugs.com/carrers.

Employee of the Month

Sarah Potts

Lead Teacher
West Amherst, NY Center

Sarah is an amazing member of our faculty at the West Amherst location. We admire her passion for early childhood education, commitment to our mission, and desire to grow professionally.

In the classroom, Miss Sarah's calm demeanor and gentle approach inspires fellow team members, and creates a safe, engaging environment for energetic toddlers. No matter how busy the children are, she always finds a way to "take a moment, to make a moment".

We appreciate Sarah's commitment to continuous growth. In addition to her teaching role, she is also a member of our Bug Squad and Leadership 101 class, and was recently approved to be a mentor for fellow teachers. Way to go, Sarah!

Congratulations!
