Summertime flies when you are having fun! We are currently enrolling for the 2017-2018 school year but spots are filling fast and enrollment is limited. Make sure to check with your center's Director for details. Each of our programs follow our exclusive BRAVO! School Aged Love Doodle Bugs!

The need for child care doesn't always end when your child starts kindergarten. As your child grows and your family's needs change, so do our programs! Did you know that Doodle Bugs! offers:

- Before & After School Care (transportation available at some locations)
- Vacation Club - for days when districts are out of session
- Stormy Day Club - for days when inclement weather closes school
- Doodle Day Camp - for summer vacation

Our centers are enrolling now for school-age programs but space is limited so check with your center's Director today!

MARK YOUR CALENDARS

Reminder! All centers will be closed on Tuesday, July, 4. Happy Independence Day!

We Are Having the Ultimate Summer Vacation!

Doodle Day Camp is underway in all of our centers and we are having so much fun with our themes, center events and field trips! Here's what is coming up this month:

Week of July 3: Fitness Fun - We'll enjoy the World's Largest Yoga Class, relay races, organized sports and lots of laughter, too!

Week of July 10: Lights, Camera, Action - Whether you're a set designer, a script writer, an actor, or fashion designer, you've got a starring role this week.

Week of July 17: Art Attack - With lots of opportunities to enjoy watercolors, collage, mosaics, and more, this is a great week to express yourself!

Week of July 24: Around the World in 5 Days - Where in the world will you travel today? Will you do a Mexican hat dance, meet up with a mummy in the Egyptian pyramids, or encounter some wildlife on a jungle safari?

**CONGRATULATIONS TO OUR MARS, PA CENTER
ON THEIR GRAND OPENING LAST MONTH!**

Doodle Bugs! Prepares to Open Second Florida Location

We are so excited to open our second Florida location and bring the Doodle Difference to more families in Florida. Our newest center is located in Lakewood Ranch, a master planned community in southeastern Manatee County, Florida.

Construction has commenced on the 11,000 square foot, state-of-the-art facility and 15,000 square foot playspace. The outdoor playspace features poured-in-place rubber surfacing for safety, large awnings for shade, a spacious courtyard and an inground pool. An opening date in late 2017 is planned and we look forward to sharing more details with you as the project progresses.

Employee of the Month

Frances Groff

**Teacher Assistant
Lake Worth, FL Center**

There are so many reasons why Frances is deserving of this recognition. The role of Teacher Assistant requires a unique talent to be able to jump into any age group and respond, in-stride, to children's needs. Frances does this so naturally. She has built such positive relationships with each child and faculty member

in our center which allows her to seamlessly transition to classrooms, as needed, throughout the day.

In addition to Ms. Frances' Teacher Assistant role, she is also a vital part of our front desk operations. Frances opens the center each morning and, with a smile on her face, greets every family during drop off. Her interactions show genuine interest with each family and faculty member and that sets such a wonderful tone for the day.

Ms. Frances is such a ray of Florida sunshine and we are grateful that she is a part of our team.

Congratulations!
