THANK YOU, PARENTS!

On March 30th, hundreds of teachers and center managers from our 13 Doodle Bugs! locations gathered in Buffalo for a day of celebration, appreciation and professional growth - at DoodleCon 2019! We had so much fun, met new people and were inspired.

Our teachers had so much to say about the positive energy, fun atmosphere, inspiring collaboration and celebration that made the event such a success. Doodle Bugs! parents, from all of our locations, were so generous in their contributions to this important event. Because of you, every team member in attendance was able to leave with a gift of appreciation. Thank you!

Employee of the Month

Tiffany Cacho

UPK Teacher
Orchard Park, NY Center

Miss Tiffany is our UPK Teacher in Orchard Park, NY. Because of the nature of the half-day UPK program, Miss Tiffany's group of students changes midday. Her seamless transition from the morning children to the afternoon children flows so naturally.

Tiffany's classroom is incredible. With each curriculum theme, she transforms her space into a whole new world. Her students can travel by boat to a world under the sea, erupt in a volcano and land among the dinosaurs, milk a cow on a farm, and race cars down a hill. She makes each moment a teachable moment and her students are eager to soak up as much as they can.

Tiffany is a mentor for fellow teachers - always willing to lend a helping hand and share her expertise. She takes pride in her work and focuses on ensuring each of her students will soar in kindergarten. Tiffany nourishes, educates, and loves every child that she comes in contact with. We are grateful to have her on our team.

Congratulations!
