Doodle Day Camp Begins This Month!

Each week, our centers transform into a brand new theme. Here's a look at what's happening this month:

Week of June 3 - Music in Motion

Week of June 17 - Magnetized

Week of June 24 - Nature's Playground

Sunscreen, Sneakers and Outdoor Play

A Doodle Day includes lots of outdoor play - especially in the summer months! Please be sure to provide sunscreen and protective clothing (hats, sunglasses) for your child/children. We also ask that your child is sent to Doodle Bugs! each day wearing sneakers (or has an extra pair in their cubby) with rubber soles. Safety is our number one priority - thank you for helping us to keep our children safe.

INTRODUCING HAPPY HIGH FIVES!

This spring, we introduced a new way for Happy Parents to recognize our Happy Teachers and it has been a heartwarming success! In just two months, over 200 High Fives have been shared through our website!

Your kind words have made us all so happy and we can't keep them all to ourselves!

Miss Ellysia is a wonderful toddler teacher! Her kind, nurturing, passionate, patient and fun personality makes for such a positive and productive educational experience! It is apparent that she has found her calling! We truly appreciate all she does to help our child develop and grow and are so grateful she has become part of our lives!

-Happy Parent, Orchard Park, NY

Ms. Joanne always welcomes us with a huge smile on her face! She engages my daughter, talks to her and gives snuggles. Drop off is always hard for parents and knowing that our daughter is being left in her loving care makes it much easier. We just LOVE Ms. Joanne!

Employee of the Month

Valerie Magiske

**Director Assistant
Mars, PA Center**

Since the beginning, Ms. Valerie has impressed parents and co-workers as an Infant Teacher, Toddler Teacher and now as Director Assistant.

In the classroom, Valerie is so creative and engaging! The activities she provides are always impressive and clearly demonstrate the passion and expertise she has for early childhood education. Beyond education, we love the way Valerie nurtures social-emotional connections with all the children in her care.

Not only is Ms. Valerie an extraordinary teacher and manager, she's the best teammate too. Her co-workers say she's the glue that holds the center together, always sharing a kind, listening ear, encouraging words and a joyful spirit.

Congratulations!
