The Ultimate Summer Vacation!

Weekly Themes

WEEK 1 – June 5 - 9

An Outing in Space

Looking up at a clear night sky encourages so much wonder. Stars, planets, the sun – it's all so fascinating. Let's take a closer look at all things space, take a virtual trip to our moon, and learn how astronauts become astronauts!

WEEK 2 – June 12 - 16

At the Beach

The warmth of the sun, the sound of crashing waves, and all the FUN things you can do at the beach! This week is sweet to the senses as we explore the natural beauty of the most wonderful beaches around the globe.

WEEK 3 – June 19 - 23

Fizz, Pop, Squelch

Have you ever made a volcano out of soda and Mentos, or oh-so-sticky slime? This week is full of experiments that are designed to empower campers to think deeply, predict, and unveil mysteries of our world using science.

WEEK 4 – June 26 - June 30

Dinosaur Roar!

MASSIVE prehistoric perplexities fill our week as we investigate the ways of the dinosaurs. We'll excavate and puzzle bones back together, test your pterodactyl wings, and uncover details about these incredible creatures.

WEEK 5 – July 3 - 7

Give Me a Beat!

Cue the bassline: this week is a full-blown musical adventure as we explore different genres and of course dance and sing to the unique beat of our own drum as we let the music MOVE our bodies, hearts, and minds!

WEEK 6 – July 10 - 14

Art Through the Ages

Let's jump into a Michelangelo chalk painting, follow the twists of a Picasso sculpture, and talk about colors with Andy Warhol! This week is designed to playfully explore artistic interests while learning about famous masterpieces.

WEEK 7 – July 17 - 21

The Great Doodle Mystery

Oh no! Doodle Bug and his Doodle Buds have stumbled upon a secret bunker filled with missing puzzle pieces from doodle classrooms. Help the gang solve how they got there and why – while thinking up our own mysteries!

Centers will be closed July 4.

WEEK 8 – July 24 - 28

Once Upon a Time

Magnificent castles, fire-breathing dragons, and tiny fairy villages, oh my! We'll visit lands from long ago as we explore magical fairy tales, fables, and tall tales, while we inspire our own imaginations to create legends of our own.

WEEK 9 – July 31 - August 4

World of Games

We'll discover new ways to play by exploring and combining favorite games from around the world! Think: a twister-checker mashup or floor is lava football! This week hosts a TON of opportunities to create new hybrid games.

WEEK 10 – August 7 - 11

LEGO Brick-ology

The endless possibilities of LEGOs combined with teamwork and imagination make this week a building blast! Become a master builder as we engineer LEGO marble runs, compete in LEGO spinning top challenges and more!

WEEK 11 – August 14 - 18

Cool Coding

We'll use our problem-solving skills and creativity to conquer tricky glitches in lots of fun ways! Life-size coding obstacle courses and binary code necklace making are just a few of the ways this week is packed with techy fun.
