The Ultimate Summer Vacation!

Weekly Themes

WEEK 1 – June 3 - 7

Gadgets & Gizmos

Full STEAM Ahead! Our laboratory is stocked with wheels, connectors, tubes, and tools ready for tinkering, experimenting, and cooperative inventing with friends. This hands-on week lets campers explore the link between creativity and engineering.

WEEK 2 – June 10 - 14

World of Games

We'll discover fascinating new ways to play by exploring and combining favorite games from around the world! Think: a twister-checker mashup or floor is lava football! Campers learn how to cooperatively plan and create new hybrid games.

WEEK 3 – June 17 - 21

Peace of Mind

Zen gardening, mindfulness with mother nature, and friendship games are just a few fun things in store this week as we learn how to relax, reflect and restore. This theme is all about creating peace and calm while we unplug for the week.

WEEK 4 – June 24 - June 28

At the Beach

The warmth of the sun, the sound of crashing waves, and all the FUN things you can do at the beach! This week is sweet to the senses as we explore the most wonderful beaches around the globe and the details of their natural beauty.

WEEK 5 – July 1 - 5

Wild About Weather

Check the wind speed! Measure the rainfall! There is so much to wonder about the weather. Friends will get to help make some homemade weather tracking tools and get hands-on investigating how the weather works!

WEEK 6 – July 8 - 12

An Outing in Space

Looking up at a clear night sky encourages so much wonder. Stars, planets, the sun – it's all so fascinating. Let's take a closer look at all things space, take a virtual trip to our moon, and learn how astronauts become astronauts!

WEEK 7 – July 15 - 19

Fizz, Pop, Squelch

Fizz, Pop, Squelch is full of unforgettable, mesmerizing and noisy experiments that are designed to empower campers to think deeply, predict, and unveil interesting mysteries of our world using science.

Centers will be closed July 4.

WEEK 8 – July 22 - 26

Magical Magnets

Magnets are a wondrous material, creating invisible forces that push and pull. From investigating the polarity of water to playing with magnetic putty, this week is an adventure in the universe's most amazing physical phenomenon.

WEEK 9 – July 29 - August 2

Up, Up, and Away

The sky's the limit! Upcycled airplanes, parachute experiments, helicopter spinning contests, and miniature zipline engineering are on deck to fuel this week while we take our imaginations to the skies with aviation fun – Doodle style!

WEEK 10 – August 5 - 9

Give Me a Beat!

Cue the bassline: this week is a full-blown musical adventure as we explore different genres, all-time classics, brilliant musicians, and of course dance and sing to the unique beat of our own drum as we let the music MOVE our bodies, hearts, and minds!

WEEK 11 – August 12 - 16

Art Through the Ages

Let's jump into a Michelangelo chalk painting, follow the twists of a Picasso sculpture, and talk about colors with Andy Warhol! This week is designed to playfully explore each camper's artistic interests while learning about famous masterpieces and artists from the past.
