Web-Cam/Live Internet Viewing

Our center utilizes a video surveillance system which is viewable on the internet to enrolled families. You may sign up for this service at no additional charge. Once you receive your username and password, you will have access to view your child's classroom, the indoor playroom and outdoor playgrounds.

Registration

Payment of the registration fee and security deposit is due upon registration and is required to secure your child's enrollment in our program. Payment of the first week's tuition is due by the Friday prior to the first week of attendance and is required to begin attendance. The one-time registration fee is \$75.00*. (*\$77.06 if paying with a credit card.) Families who enroll more than one child will be assessed an additional one-time fee of \$25.00* per child. (*\$25.69 if paying with a credit card.) The security deposit is equal to one week of tuition and will be credited towards your last week of attendance. If you decide not to begin enrollment, your registration fee and security deposit will not be refunded. If you decide not to begin enrollment and fail to notify your center prior to the Thursday before your start date, your account will reflect charges applicable to the 4-week notice.

We provide up to two weeks of vacation credits (50% tuition credit) with two week advance, written notice. This policy does not apply to UPK or School Age programs. Please see Center Policies for details.

Holidays

Doodle Bugs! is closed on the following holidays (Friday before Labor Day, Labor Day, Thanksgiving and the day after, Christmas Day, New Year's Day, Memorial Day and Independence Day). We close early at 1:00 pm on Christmas Eve and New Year's Eve. Tuition accounts will not be credited for holidays. This policy is standard with most reputable child care centers in the area and reflects the center's ongoing operating expenses.

Illnesses and Absences

We do not provide tuition refunds or reductions for absences due to illness, vacation, or other reasons. This policy is standard with most reputable centers, given that centers' operating expenses remain constant.
