Allergens

Product information, including ingredients, allergens and nutritional information, is provided by manufacturers/suppliers, including information shared through the Global Data Synchronization Network (GDSN) and other third-party sources such as the United States Department of Agriculture. We know that allergen information is important to many customers, so we are providing product information provided to US Foods from the manufacturers/suppliers for the 9 most common allergens identified by the FDA. This information may not cover potential cross-contact risks or alternate forms of the allergen(s). Product formulations, ingredient, allergens, nutritional values are subject to change. Please always review the ingredients, allergens, nutrition information and other product information on the product packaging delivered to your location. US Foods does not assume any liability and makes no warranty or guaranty, express or implied, regarding the completeness or accuracy of product information as provided by manufacturers/suppliers

IMPORTANT: We know that allergen information is important to many customers so we are providing this tool to help sort products based on product information provided by suppliers.* Products that the supplier has designated as contains or may contain for the selected allergen(s), or that the supplier has not provided data for the selected allergen(s), will be excluded from your search results. This may not cover potential cross-contact risks or alternate forms of the allergen(s). Please always review the complete list of ingredients and allergens on our product page and on the product packaging delivered to your business.

*Allergen information for third-party branded products is obtained from the Global Data Synchronization Network (GDSN).
